Chase Lake Outpost

Scale: (approximately)
 5/8" = 1 mile
Legend: X = Reefs

Chase Lake Outpost as it stands now was erected in the winter of 1990. It has two spacious three bedroom cabins located on the south shore of the lake. Chase Lake itself has excellent walleye fishing accompanied by northern pike. There are also two lakes to the north, Midway and Eagle, which are accessible without portaging. Eagle Lake is the larger of the two and is known for its good walleye fishing.

Travelling 3/4 of a mile to the south brings you to the Little Chase portage. This short portage will take you along the picturesque Chase Lake Rapids where a boat awaits to take you on a fishing adventure.
