LAKE

Sharpstone Lake Outpost

Sharpstone Lake was built in the winter of 1993-94 and opened in the spring of 1994. This lake is on the remote Berens River system. This large river is one of the best walleye and northern pike fishing areas in northwestern Ontario.

Moar Lake can be accessed by going down river to the west. There are two different entrances north and south channels, depending on the water level. Please ask about which channel to use. These channels are also very good walleye fishing.

Scale: (approximately)
 $3/8" = 1 \text{ mile}$
